Re: Alteration to Single Family Residence
Willowbrook Road, Staten Island

Dear Mr. Smith,

I recently had the opportunity to visit our project and am quite pleased with the results. J. Smith Construction delivered a stellar performance in the execution of our design into the homeowners' dream-come-true.

My staff and I take great pride in the level of service and attention to detail we deliver to our clients and we truly appreciate the job well done.

We look forward to working with you in the future.

Sincerely,

Timothy Boyland, AIA
